POPULUMQUE FALSIS

VOCIBUS.

Hor.

"To do something to instruct, but more to undeceive, the timid and admiring student:—to excite him to place more confidence in his own strength, and less in the infallibility of great names:—to help him to emancipate his judgment from the shackles of authority:—to teach him to distinguish between shewy language and sound sense: to warn him not to pay himself with words:—to shew him, that what may tickle the ear or dazzle the imagination, will not always inform the judgment:—to dispose him rather to fast on ignorance than feed himself with error."

Fragment on Government.
