TO THE IMPERIAL CHARTISTS.
MR DEAR FRIENDS,—In a leader in last week's *Star*, the Editor, in speaking of my joining the Repeal Association, says that he is glad that I got a "rap on the knuckles" for my over zeal. It is not the first I have had; nor, I fear, will it be the last. I however entirely agree with the Editor that it was merited; while I think a majority will pity those who gave it more than him who received it.
I am now going to write about our own affairs; and I have the consolation to know that when I write for men engaged in a honest struggle for liberty, instead of "a rap on the knuckles," receive correction in the mildest form in which sound reason and good feeling can administer it.
WE MUST NOW RE-ORGANIZE! We must start from that point where we were stopped!
The preliminary step which I propose is the appointment of a General Secretary, *pro tem*; whose nomination shall be sent preparatory to the election of an Executive; and as we must place confidence somewhere; and as Mr. Whoo has already filled that office during the absence of the late Secretary; and as he was elected by his own order, and discharged the duties to the satisfaction; I propose that he shall be the man and that when the votes are to be taken for an Executive that a delegate shall be appointed from each Chartist district in London, to aid and assist him in making his return.

The position on Fergus O'Connor's weekly address to readers signals it as important content
